

Code Layout, Readability and Reusability

Structure review from supplied project screenshot

Project	AI-BlogNest API	Team ID	6ab6286e14835f68f938d881
Leader	S. Rushyan	Date	27-09-2026
Members	K. Anandhan, M. Neelakandan, M. Sanjay, D. Jeevan Kumar	Dept	Computer Science

Observed Project Layout

- src/config - configuration; src/controllers - request handling.
- src/middleware - shared processing; src/models - data models.
- src/routes - endpoint definitions; src/services - business/external service logic.
- app.js - application setup; server.js - startup entry.

Readability and Reuse Guidance

- Keep route handlers small and move reusable operations to services.
- Use clear names and consistent indentation.
- Keep validation and error responses consistent.
- Keep secrets in environment settings; do not commit .env.

Review Limit

This is based on the folder screenshot. Full source code was not supplied for line-by-line scoring.
