## Persona Basis

This is a design persona, not a claim based on supplied interviews or observations.

## Thinks and Feels

- Wants a manageable writing workflow and clear feedback from API requests.
- Values secure access and predictable results.

## Sees and Does

- Works with posts, categories, and authentication steps.
- Creates or retrieves posts and may request a draft or summary.

## Pains and Gains

- Pain: repetitive content preparation and unclear errors.
- Gain: secure, understandable, reusable API operations.

## Design Implications

- Keep responses clear; use useful status codes.
- Treat generated content as a draft for user review.
- Protect authenticated operations.
